NOOS

A comprehensive range of 151 contemporary high quality garments, always on stock for the next day delivery. This is our NOOS. Essentials in the most commercial colours, covering all key categories of the promotion market. Alongside new colour additions on existing styles, we have this season added the Women's Brockton Crew Neck in three colours to complete the range of knits. New is also the Tipton Tee, a cotton elastane jersey t-shirt. Last but not least, following last season's launch of non-iron shirts, we extended the shirt range with Porto - a new line of premium Oxford shirts. Garment washed with button down collar, Ascolite® secured buttons and with a perfect collar roll, Porto is the perfect option for the more casual look.

THE NEW OXFORD

Porto

Porto is our brand new line of Oxford shirts in 100% premium Portuguese cotton fabric.

Our interpretation of a classic with button down collar, garment wash, Ascolite® secured buttons, perfect collar roll and an updated fit with boxpleat for extra comfort. Available in solids & stripe.
